In situations of road closure for any reason, Valle Nevado will proceed as follows. Those passengers who are in Santiago and cannot get up to Valle Nevado must directly cover the expenses of their stay in Santiago while the road remains closed. 8. Transportation: Valle Nevado, through its reservation team, offers clients the possibility of reserving transportation to and from a hotel in Santiago or the Airport through a third party. However, because the service is performed by a third party, Valle Nevado is a mere facilitator and coordinator of this service and is not responsible for possible delays or quality of service. In the event that the service is not delivered, Valle Nevado will provide support, not being responsible for a refund, nor for other expenses that the client may incur. Any additional expense incurred by the client related to their transportation is their full responsibility and must be requested from the transportation operator.
